The Social Club's activity calendar is available both in print and digitally! You can purchase a print copy at the Monday meetings or in the SRV office, find it online at siestaretirementvillage.com or access it on your phone. If you do not have the digital one on your phone and would like to, please see Daryl Minifie.

We encourage you to stay up to date on all of the great activities at SRV!

Corporate Corner

Here are the following deadlines before the Annual Meeting:

- Board Applications are due in the office by close of business on Friday January 19, 2024.
- Proxies for the Annual Meeting may be downloaded from the web page or picked up in the office. All proxies must be in the office by the close of business on January 26, 2024.
- No Proxies or applications will be taken after the deadline.

I had the wrong dates for the Covenants reviews. The next meeting will be after the Social Club Meeting on Monday, January 15, 2024.

Lastly, if you are having a problem with your citrus trees, please contact Rick Leland or another Board Member. We are trying to make sure we have healthy trees here in the Village.

Hand Painted Glass Panels Available

These hand painted glass panels came from the chandeliers that hung in the SRV Hall. The 3 designs come from the history of the Village. The elephant came from the picture of the Siesta Circus in 1979. The parrot represents the parrots that come to the park. The fountain is our beautiful fountain at our entrance. Other designs are available.

The panels will be sold for \$12 at the Monday meetings on January 15 and 22. If interested, you can contact Dee Althoff at (217) 254-1097.

All money raised will go back to the village.

SRV Quilters

The SRV quilters will be meeting today at 1:00 PM in the Craft Room.

We will continue learning a new method of making half square triangles and working together to make a donation quilt. We will be doing this as an "assembly line" activity, with everyone having a job.

We would love to have new folks join our creative and fun group. You need not be an experienced quilter. Just be open to trying new things and making new friends.

Cribbage Is Back!

On Monday evening, all cribbage players are invited to come and play for \$1.00.

All levels of players are invited and please know we are a "friendly" bunch that does not steal points, and we help you count in hopes of making you a better player. I purposely say this because we want to encourage you to come.

It's a fun evening starting at 6:30, following the pot luck dinner in the village hall.

The \$1 contributions will be used for a cash prize weekly for the 1st, 2nd & 3rd place winners.

For questions, call Bob or Jane at 918-801-8520.

You can save a life!

THANK YOU!! THANK YOU!! THANK YOU!!

To everyone who helped make the fourth (almost) annual IOWA POTLUCK a huge success, especially Robyn & Bob, Nancy & Mike, Schaef, Vera, Karen and Tom. A big shout out to the PICKLEBALLers for setting up the tables & chairs as well as to the MANY who (without even asking) stayed after to put away all those tables and chairs. I'm pretty sure it was accomplished in record time!!

Thanks, too, to Gene James for making the sound system available and Bob Keppy: Thank you for your many trips to the hall to give us access to the kitchen.

Congrats to the winners of our silly little games. We hope you had fun participating. Robyn & Bob Lamb provided the prizes, so winners thank them if you see them.

Last but not least, thank you to the 66 Iowans (and friends) who attended (5 had to cancel or we'd have had over 70). Your presence made the evening a success.

We're looking forward to next year, and your suggestions/feedback will be greatly appreciated. Please call/text me at 319-361-4342 with your comments/ideas. Pat Linder & Friends

General Reminders

Post Office Box Procedures

It is important that everyone receive their mail in a timely manner and in the correct post office box. In order to assist this happening, and ensure that mail is not returned or put in the incorrect box, please follow these procedures:

Residents

Each street address should have one mail box assigned by the Office. The Office should be notified of the following:

- Any resident change in name,
- Any resident change of address especially within the park,
- Any visitor that may receive mail.

The SRV office must be notified when residents return in the fall, leave in the spring, or have new people living in their home. Inaccurate information may result in mail being returned to sender. PLEASE make sure your Unit number is included in your address. Improperly addressed mail may also be returned to the sender. If you are going on a trip and wish to have your mail held, please contact the Weslaco Post Office at (956) 968-7412.

Renters

Renters shouldn't be given mail box keys by the property owners. If the Office and/or Post Office is not notified of the renter information we do not know who is using the box and mail may be returned or misdirected. (We also put names on the boxes inside the mail building to help the USPS, if we do not know the name we cannot label the box.)

Renters need to contact the office and get their own mailbox. They should pick up the key from the Office and return it to the Office when they leave. This assists in the accurate tracking of empty boxes for reassignment. (If a renter returns to the same house annually, they can keep the same box, but need to notify the office.)

Blocks

If using a block in the box, allow enough time for the mail to be forwarded before placing the block and, when you return, remove the block as soon as the forward is requested. If mail is delivered and there is a block in the box the mail will be returned. The Office will be happy to assist with placing or removing blocks.

Key Return

Any time a box will no longer be used by the current resident, the key must be returned to the office (e.g. sale of house, renter leaving for the season, etc.). The Post Office will not make duplicate keys (and they can not be made elsewhere) nor will they retool the box for a new key.

USPS Packages

Packages that are delivered to the Office by USPS (either because they are too large for the key boxes or the key boxes are full) will be available for pick up in the office lobby.

Architectural Requests

ANY change made to the exterior of your home or property requires Architectural Approval and a Permit. Forms are located in the office. Once filled out, two members of the Architectural Committee and a member of the Board of Directors must sign off on the request BEFORE work can begin. When approval has been given, a Permit will be issued and should be placed in a visible front window of your home. Any request that would require a variance of the SRV 9th Amended Covenants and Conditions must be taken to the full Corporate Board of Directors for approval.

Per SRV Covenants Article V.03: No structures of any kind, including MOBILE HOMES, may be commenced, erected or maintained upon the PROPERTIES, nor shall any exterior addition to, or change, or alteration therein be made until plans and specifications showing the nature, kind, shape, height, materials, color and location of the same shall have been submitted and approved in writing as to harmony of external design and location in relation to surrounding structures and topography by the Architectural Committee.

Contractors In The Village

Reminder to all residents having work done by a contractor. All contractors are expected to register with the SRV office PRIOR to performing any work within the Village. **Contractor vehicles should all have a RED SRV CONTRACTOR PERMIT in their front window.** If you notice a vehicle without this form, please either send them to the office or report them to the office. **NO contractor vehicles should be left on SRV streets overnight.**

Rentals

The Office is keeping a list of people who would like to be renters in the Park and also a list of Owners who have rentals available (or that will be available). If you own a rental and would like to be on the list given to potential renters, please contact the Office with your information. As people call inquiring about available rentals, they will be given your contact number. And if you would like the list of people interested so that you can contact them, also contact the Office.

If you have a renter or no longer want potential renters to contact you, please contact the Office to remove your name from the owners list.
