Find Your Activities on the SRV Calendar!

The Social Club's activity calendar is available both in print and digitally! You can purchase a print copy at the Monday meetings or in the SRV office, find it online at siestaretirementvillage.com or access it on your phone. If you do not have the digital one on your phone and would like to, please see Daryl Minifie.

We encourage you to stay up to date on all of the great activities at SRV!

Corporate Corner

The Annual meeting will be held on Saturday February 3, 2024, at 9 AM in the Main Hall. To attend please bring your photo ID and wear your name badge.

Enter through the billard room door and go to the All-purpose room where you will get your packets. You will then exit towards the pool and enter the Main Hall. This is the only way you will be able to get into the Annual Meeting.

At the Annual meeting we will be voting on Board Members and Audit Committee members, or other SHAREHOLDER issues.

If you need a proxy for the Annual meeting, you can get it online or from an email sent out by the Office or come into the office and pick one up. These proxies must be turned into the office by close of business on 1/26/24.

If you will not be in the Village the week of February 5th through the 9th and are a landowner who wishes to vote for the Covenant changes and for the Road Project, please get a proxy for each (the Covenants & the Roads). These proxies will be given to the person you designate to vote in your absence. These proxies will be turned in at the time of Voting. Proxies must be in the hands of the designated voter in order for them to cast your vote.

Board Applications are posted in the library and may be read at your convenience. Next Monday, 1/29/24, the candidates will be introduced after the Monday morning meeting.

We understand that this is somewhat confusing. If you have any questions please contact a board member or the office.

Thanks for your cooperation.

SRV Election Volunteers

I will be the Election Official at the Annual Meeting this year and I would like to have a meeting with all of the volunteers that will be helping on Saturday, February 3 – the day of the Annual Meeting. Even if you have worked before it would be a good thing for you to come. This is my first year as the election official and you can help me remember everything people need to know.

So please put Wednesday, January 31 at 1 PM on your calendar. We will meet in the Craft Room and hopefully the meeting should take 30 to 45 minutes.

I will have your packets at that time which will spell out your duties and times you should be there.

If you cannot make the meeting, please call me at 651-207-3730 and I will see that you get your packet and try to answer any questions you have at that time.

Thanks for volunteering to help! Andrea O'Keefe

SRV Quilters

The SRV quilters will be meeting today at 1:00 PM in the Craft Room.

We will see how our assembly line work led to completed squares for a baby blanket to donate to a child in need. We will also have a special show and tell presentation, with Kathy Moyna demonstrating how to quilt using an embroidery machine. Finally, we will discuss our plans for our next veteran's quilt project.

We would love to have new folks join our creative and fun group. You need not be an experienced quilter. Just be open to trying new things and making new friends.

Hand Painted Glass Panels Available

These hand painted glass panels came from the chandeliers that hung in the SRV Hall. The 3 designs come from the history of the Village. The elephant came from the picture of the Siesta Circus in 1979. The parrot represents the parrots that come to the park. The fountain is our beautiful fountain at our entrance. Other designs are available.

The panels will be sold for \$12 at the Monday meetings on January 15 and 22. If interested, you can contact Dee Althoff at (217) 254-1097.

All money raised will go back to the village.

Ladies' Tea

When: January 28th
Where: Main Hall

The Villager Submission Information:

- There is no fee to list your events in The Villager. You may reach people this way who are not able to attend all Monday meetings.
- If you have information you would like in The Villager, it needs to be submitted by 9 PM the Wednesday prior to Monday publication.
- You need to write the submission exactly as it will appear in The Villager. I will not write your article. If you would like your article to be included for more than one week, please indicate the number of weeks you would like it to run.
- I prefer you email your requests to siestavillager@gmail.com. Also, if you email, please put your submission in the body of the email, not as an attachment.
- If you aren't able to email your information, you can put your information in The Villager mailbox at our home (3134 San Jacinto) or text me at 954-802-7123. The deadline is still the same for these submissions.
- Also, there are times we need to send out an announcement via email. Please ensure I have your updated email address. Emails will be sent for last minute changes or updates; not for information that missed the submission deadline.
- Print versions of The Villager are available for 50 cents in the office or at Monday meetings. Digital versions are available for free on the SRV website.

General Reminders

Post Office Box Procedures

It is important that everyone receive their mail in a timely manner and in the correct post office box. In order to assist this happening, and ensure that mail is not returned or put in the incorrect box, please follow these procedures:

Residents

Each street address should have one mail box assigned by the Office. The Office should be notified of the following:

- Any resident change in name,
- Any resident change of address especially within the park,
- Any visitor that may receive mail.

The SRV office must be notified when residents return in the fall, leave in the spring, or have new people living in their home. Inaccurate information may result in mail being returned to sender. PLEASE make sure your Unit number is included in your address. Improperly addressed mail may also be returned to the sender. If you are going on a trip and wish to have your mail held, please contact the Weslaco Post Office at (956) 968-7412.

Renters

Renters shouldn't be given mail box keys by the property owners. If the Office and/or Post Office is not notified of the renter information we do not know who is using the box and mail may be returned or misdirected. (We also put names on the boxes inside the mail building to help the USPS, if we do not know the name we cannot label the box.)

Renters need to contact the office and get their own mailbox. They should pick up the key from the Office and return it to the Office when they leave. This assists in the accurate tracking of empty boxes for reassignment. (If a renter returns to the same house annually, they can keep the same box, but need to notify the office.)

Blocks

If using a block in the box, allow enough time for the mail to be forwarded before placing the block and, when you return, remove the block as soon as the forward is requested. If mail is delivered and there is a block in the box the mail will be returned. The Office will be happy to assist with placing or removing blocks.

Key Return

Any time a box will no longer be used by the current resident, the key must be returned to the office (e.g. sale of house, renter leaving for the season, etc.). The Post Office will not make duplicate keys (and they can not be made elsewhere) nor will they retool the box for a new key.

USPS Packages

Packages that are delivered to the Office by USPS (either because they are too large for the key boxes or the key boxes are full) will be available for pick up in the office lobby.

Architectural Requests

ANY change made to the exterior of your home or property requires Architectural Approval and a Permit. Forms are located in the office. Once filled out, two members of the Architectural Committee and a member of the Board of Directors must sign off on the request BEFORE work can begin. When approval has been given, a Permit will be issued and should be placed in a visible front window of your home. Any request that would require a variance of the SRV 9th Amended Covenants and Conditions must be taken to the full Corporate Board of Directors for approval.

Per SRV Covenants Article V.03: No structures of any kind, including MOBILE HOMES, may be commenced, erected or maintained upon the PROPERTIES, nor shall any exterior addition to, or change, or alteration therein be made until plans and specifications showing the nature, kind, shape, height, materials, color and location of the same shall have been submitted and approved in writing as to harmony of external design and location in relation to surrounding structures and topography by the Architectural Committee.

Contractors In The Village

Reminder to all residents having work done by a contractor. All contractors are expected to register with the SRV office PRIOR to performing any work within the Village. **Contractor vehicles should all have a RED SRV CONTRACTOR PERMIT in their front window.** If you notice a vehicle without this form, please either send them to the office or report them to the office. **NO contractor vehicles should be left on SRV streets overnight.**

Rentals

The Office is keeping a list of people who would like to be renters in the Park and also a list of Owners who have rentals available (or that will be available). If you own a rental and would like to be on the list given to potential renters, please contact the Office with your information. As people call inquiring about available rentals, they will be given your contact number. And if you would like the list of people interested so that you can contact them, also contact the Office.

If you have a renter or no longer want potential renters to contact you, please contact the Office to remove your name from the owners list.
