ANNUAL MEETING ELECTION WORKERS

I will be the Election Official at the Annual Meeting this year and I would like to have a meeting with all of the volunteers that will be helping on Saturday, February 1st – the day of the Annual Meeting.

Even if you have worked before it would be a good thing for you to come – experience is always helpful and I need all the help I can get.

So please put Monday, January 27 at 1 PM on your calendar. We will meet in the Fireside Room and hopefully the meeting should take 30 to 45 minutes.

I will have your packets at that time which will spell out your duties and times you should be there. If you cannot make the meeting please call me at 651-207-3730 and I will see that you get your packet and try to answer any questions you have at that time.

Thanks for volunteering to help!

Activities

Trail Dancing

Join your friends for great fun
as you learn some new steps!

You don't need to sign up.
Everyone is welcome.
We do a new dance each time.

Upcoming Entertainment

The Warman Trio is a unique group that plays rock and roll music from the 1950s and 1960s.

They are a father and his two daughters from Tennessee who are lively and have a unique presentation for your pleasure.

Get your tickets Monday Mornings for \$9 per person.

SRV Quilters

The quilters will meet again today at 1:00 in the craft room.

We will have our weekly show and tell, so we can all see what everyone is working on at this time.

We will continue working on our disappearing 9 patch blocks. If you took some blocks home, please bring them today. Even if you didn't get them sewn together, please bring them to the meeting so we can arrange the blocks into a baby blanket.

We will also be discussing a jelly roll quilt that we could all work on next week, making strip sets to quickly put together a quilt top.

We invite anyone interested to join our group. You do not need to be an experienced quilter. We love learning new skills together!

Activity Location Changes

As the All Purpose Room is currently under repair, we are reassigning activities to alternative locations within the Village.

- The Church Service will be relocated to the Fireplace Room.
- Pickleball sessions will commence after church at 10:30 AM on Sundays until the AP Room is reopened.
- Table Tennis will take place in the main hall on Mondays from 2:00 PM to 4:00 PM. Pickleball will occupy half of the hall, providing one court for Table Tennis.
- The Coffee gatherings on Tuesdays and Fridays from 9:00 AM to 10:00 AM will be held in the Craft Room.
- The Women's Social on Tuesdays and Saturdays from 3:00 PM to 5:00 PM will take place in the craft room.
- Bingo will be suspended until the AP Room is available again.

Please note that these arrangements are subject to change as we determine the most suitable options for everyone.

Your patience and cooperation are appreciated as we navigate these adjustments in the upcoming days.

Our first planning meeting will be held in the Fireplace Room on March 3rd at 3:00 PM. We invite all volunteers to attend and join the discussion on how we will celebrate this significant milestone.

Rocket Ranch/SpaceX Additional Tour

Due to popular demand, there will be another
Rocket Ranch/SpaceX tour available on
Thursday, February 27th.

Reservations will be made for the first 52
people who provide payment.

Welcome Home Tours has provided a rare
opportunity to experience SpaceX up close.
The bus will pick us up here and return us in the
afternoon. It is approximately a 6 hour
excursion.

There is a minimum of 45 people and a
maximum of 52. The cost is \$50 per person.

The tour is conducted by a private company,
not SpaceX itself. We will not be going into
SpaceX buildings.

Once we arrive on site, the guided tour is 2.5 to
3 hours with a stop after at a local restaurant for
lunch on your own. There will be tours and a
video presentation at 3 stops, including the
SpaceX Starbase campus. Walking is limited; at
the most it would be about a 5 minute walk with
the option to stay on the bus if desired.

Because of the limited number of seats,
reservations and full payment will need to be
made to Linda Bleess.

Contact Linda Bleess with any questions. 320-
732-3851.

General Reminders

Post Office Box Procedures

It is important that everyone receive their mail in a timely manner and in the correct post office box. In order to assist this happening, and ensure that mail is not returned or put in the incorrect box, please follow these procedures:

Residents

Each street address should have one mail box assigned by the Office. The Office should be notified of the following:

- Any resident change in name,
- Any resident change of address especially within the park,
- Any visitor that may receive mail.

The SRV office must be notified when residents return in the fall, leave in the spring, or have new people living in their home. Inaccurate information may result in mail being returned to sender. PLEASE make sure your Unit number is included in your address. Improperly addressed mail may also be returned to the sender. If you are going on a trip and wish to have your mail held, please contact the Weslaco Post Office at (956) 968-7412.

Renters

Renters shouldn't be given mail box keys by the property owners. If the Office and/or Post Office is not notified of the renter information we do not know who is using the box and mail may be returned or misdirected. (We also put names on the boxes inside the mail building to help the USPS, if we do not know the name we cannot label the box.)

Renters need to contact the office and get their own mailbox. They should pick up the key from the Office and return it to the Office when they leave. This assists in the accurate tracking of empty boxes for reassignment. (If a renter returns to the same house annually, they can keep the same box, but need to notify the office.)

Blocks

If using a block in the box, allow enough time for the mail to be forwarded before placing the block and, when you return, remove the block as soon as the forward is requested. If mail is delivered and there is a block in the box the mail will be returned. The Office will be happy to assist with placing or removing blocks.

Key Return

Any time a box will no longer be used by the current resident, the key must be returned to the office (e.g. sale of house, renter leaving for the season, etc.). The Post Office will not make duplicate keys (and they can not be made elsewhere) nor will they retool the box for a new key.

USPS Packages

Packages that are delivered to the Office by USPS (either because they are too large for the key boxes or the key boxes are full) will be available for pick up in the office lobby.

Architectural Requests

ANY change made to the exterior of your home or property requires Architectural Approval and a Permit. Forms are located in the office. Once filled out, two members of the Architectural Committee and a member of the Board of Directors must sign off on the request BEFORE work can begin. When approval has been given, a Permit will be issued and should be placed in a visible front window of your home. Any request that would require a variance of the SRV 9th Amended Covenants and Conditions must be taken to the full Corporate Board of Directors for approval.

Per SRV Covenants Article V.03: No structures of any kind, including MOBILE HOMES, may be commenced, erected or maintained upon the PROPERTIES, nor shall any exterior addition to, or change, or alteration therein be made until plans and specifications showing the nature, kind, shape, height, materials, color and location of the same shall have been submitted and approved in writing as to harmony of external design and location in relation to surrounding structures and topography by the Architectural Committee.

Contractors In The Village

Reminder to all residents having work done by a contractor. All contractors are expected to register with the SRV office PRIOR to performing any work within the Village. **Contractor vehicles should all have a RED SRV CONTRACTOR PERMIT in their front window.** If you notice a vehicle without this form, please either send them to the office or report them to the office. **NO contractor vehicles should be left on SRV streets overnight.**

Rentals

The Office is keeping a list of people who would like to be renters in the Park and also a list of Owners who have rentals available (or that will be available). If you own a rental and would like to be on the list given to potential renters, please contact the Office with your information. As people call inquiring about available rentals, they will be given your contact number. And if you would like the list of people interested so that you can contact them, also contact the Office.

If you have a renter or no longer want potential renters to contact you, please contact the Office to remove your name from the owners list.
