Find Your Activities on the SRV Calendar!

The Social Club's activity calendar is available both in print and digitally! You can purchase a print copy at the Monday meetings or in the SRV office, find it online at siestaretirementvillage.com or access it on your phone. If you do not have the digital one on your phone and would like to, please see Daryl Minifie.

We encourage you to stay up to date on all of the great activities at SRV!

Package Pick Ups

Recently I have noticed that several packages are not being picked up in a timely manner. The outer office is not a storage area for packages. Leaving packages for extended periods can potentially lead to missing packages.

If you are expecting a package we encourage you to check the outer office area for your package. There have been several packages with names that are not in the Village Directory so we are unable to call to advise of the package.

We are also noticing on multiple occasions the person is called and when they come up to get the package it is no longer there. We urge all residents to please make sure the package you are getting is your package.

We will start sending packages back to the post office if the package is not picked up by within 3 days to prevent theft.

We apologize for the inconvenience but this is the best solution at the moment.

The Outer Office is open daily from 8am-9pm for your reference.

Thank you for your understanding,
Celeste Ramirez, Office Manager

Activity Location Changes

As the All Purpose Room is currently under repair, we are reassigning activities to alternative locations within the Village.

- The Church Service will be relocated to the Village Hall.
- Pickleball sessions will commence after church at 10:30 AM on Sundays until the AP Room is reopened.
- Table Tennis will take place in the main hall on Mondays from 2:00 PM to 4:00 PM. Pickleball will occupy half of the hall, providing one court for Table Tennis.
- The Coffee gatherings on Tuesdays and Fridays from 9:00 AM to 10:00 AM will be held in the Craft Room.
- The Women's Social on Tuesdays and Saturdays from 3:00 PM to 5:00 PM will take place in the craft room.
- Bingo will be suspended until the AP Room is available again.

Please note that these arrangements are subject to change as we determine the most suitable options for everyone.

Your patience and cooperation are appreciated as we navigate these adjustments in the upcoming days.

Here's the scoop: Every 4th Sunday of the Month we will be hosting Ice Cream Sunday. You need only bring your smile & a bowl and spoon and a few bucks.

For each \$1.00 you can get a brownie or scoop of ice cream with all the toppings. We will have Chocolate, Vanilla, and a Low Sugar Option and you can drizzle on Chocolate, Caramel, Strawberry, and or Whip Cream to top it off.

Sharon will be baking up some yummy brownies that you can add to the mix. The cost is easy to figure...\$1.00 per scoop and \$1.00 per brownie and if you forgot to bring your bowl and spoon those too will be available for \$1.00. So in essence you could come with just \$3.00 in your pocket and get a bowl & spoon & a brownie with 1 scoop of vanilla ice cream topped with chocolate syrup & whip cream and a smile!!! (Or save yourself a buck and bring your own bowl & spoon)

General Reminders

Post Office Box Procedures

It is important that everyone receive their mail in a timely manner and in the correct post office box. In order to assist this happening, and ensure that mail is not returned or put in the incorrect box, please follow these procedures:

Residents

Each street address should have one mail box assigned by the Office. The Office should be notified of the following:

- Any resident change in name,
- Any resident change of address especially within the park,
- Any visitor that may receive mail.

The SRV office must be notified when residents return in the fall, leave in the spring, or have new people living in their home. Inaccurate information may result in mail being returned to sender. PLEASE make sure your Unit number is included in your address. Improperly addressed mail may also be returned to the sender. If you are going on a trip and wish to have your mail held, please contact the Weslaco Post Office at (956) 968-7412.

Renters

Renters shouldn't be given mail box keys by the property owners. If the Office and/or Post Office is not notified of the renter information we do not know who is using the box and mail may be returned or misdirected. (We also put names on the boxes inside the mail building to help the USPS, if we do not know the name we cannot label the box.)

Renters need to contact the office and get their own mailbox. They should pick up the key from the Office and return it to the Office when they leave. This assists in the accurate tracking of empty boxes for reassignment. (If a renter returns to the same house annually, they can keep the same box, but need to notify the office.)

Blocks

If using a block in the box, allow enough time for the mail to be forwarded before placing the block and, when you return, remove the block as soon as the forward is requested. If mail is delivered and there is a block in the box the mail will be returned. The Office will be happy to assist with placing or removing blocks.

Key Return

Any time a box will no longer be used by the current resident, the key must be returned to the office (e.g. sale of house, renter leaving for the season, etc.). The Post Office will not make duplicate keys (and they can not be made elsewhere) nor will they retool the box for a new key.

USPS Packages

Packages that are delivered to the Office by USPS (either because they are too large for the key boxes or the key boxes are full) will be available for pick up in the office lobby.

Architectural Requests

ANY change made to the exterior of your home or property requires Architectural Approval and a Permit. Forms are located in the office. Once filled out, two members of the Architectural Committee and a member of the Board of Directors must sign off on the request BEFORE work can begin. When approval has been given, a Permit will be issued and should be placed in a visible front window of your home. Any request that would require a variance of the SRV 9th Amended Covenants and Conditions must be taken to the full Corporate Board of Directors for approval.

Per SRV Covenants Article V.03: No structures of any kind, including MOBILE HOMES, may be commenced, erected or maintained upon the PROPERTIES, nor shall any exterior addition to, or change, or alteration therein be made until plans and specifications showing the nature, kind, shape, height, materials, color and location of the same shall have been submitted and approved in writing as to harmony of external design and location in relation to surrounding structures and topography by the Architectural Committee.

Contractors In The Village

Reminder to all residents having work done by a contractor. All contractors are expected to register with the SRV office PRIOR to performing any work within the Village. **Contractor vehicles should all have a RED SRV CONTRACTOR PERMIT in their front window.** If you notice a vehicle without this form, please either send them to the office or report them to the office. **NO contractor vehicles should be left on SRV streets overnight.**

Rentals

The Office is keeping a list of people who would like to be renters in the Park and also a list of Owners who have rentals available (or that will be available). If you own a rental and would like to be on the list given to potential renters, please contact the Office with your information. As people call inquiring about available rentals, they will be given your contact number. And if you would like the list of people interested so that you can contact them, also contact the Office.

If you have a renter or no longer want potential renters to contact you, please contact the Office to remove your name from the owners list.
