LAST CHANCE OF THE SEASON ICE CREAM SUNDAY

March 23, 2025 @ 5 pm

Here's the scoop.....Every 4th Sunday of the Month (March 23) at 5 pm we will be having Ice Cream Sunday. You need only bring your smile & a bowl and spoon and a few bucks.

For each \$1.00 you can get a brownie or scoop of ice cream with all the toppings. We will have chocolate, vanilla, and a low sugar option and you can drizzle on chocolate, caramel, strawberry, and/or whipped cream to top it off.

Sharon will be baking up some yummy brownies that you can add to the mix. The cost is easy to figure...\$1.00 per scoop and \$1.00 per brownie. And if you forgot to bring your bowl and spoon those too will be available for \$1.00. Activities

First Meeting of the 50th Anniversary Committee

The inaugural meeting of the 50th Anniversary committee was held on Monday, March 3 at 3 pm and the group discussed an exciting array of activities aimed at celebrating this milestone. The main events will be on the weekend of March 13-14, 2027.

Proposed activities Included a Street Dance and BBQ and a Talent Show featuring skits, music, videos, old and new pictures, and other entertainment by community members plus recognition of many current and past residents. In addition, there are plans to engage the community through other initiatives, such as compiling a cookbook, a logo contest, T-shirt design and sales and writing a history of SRV people and milestones.

To ensure the success of these activities, sub-committees are being formed. If you would like to get involved, contact a Social Board member. One immediate challenge is the need to compile a list of second-generation residents. If your parents lived in SRV before you, please email Gail Wanner (gailw@paulbunyan.net) to help us update this list.

The committee is excited about the upcoming plans and looks forward to a memorable celebration of the 50th Anniversary. Stay tuned for more updates and how you can participate in the festivities!

Luck of the Irish!

Rick and Deb McEwen are providing our St. Patrick's meal of corned beef and cabbage. This is a free meal to anyone in the village ONLY! You need to get a ticket on Monday or Wednesday mornings to be admitted to the meal. Contact Nancy James to get a ticket.

This ticket will also be used for door prizes. The Main Hall will open at 5 PM. If you are willing to help or provide a cake, please contact Linda Boddy at 660-723-1536. The cakes we are requesting are a white cake with pistachio pudding for the icing.

Rick is also providing our St. Patrick's Dance. He will do it for a Pass the Hat fee. This is open to the public and will start at 7 PM.

Please wear your green and come and enjoy a great time. We want to thank Rick and Deb for their generosity.

SRV Social Board proposed Bylaw additions:

We have a proposal for 2 Bylaw additions. We will vote on those changes Monday, March 17, at the morning meeting in the Main Hall.

1. We have recognized that verbiage, which is included in our oath, when we are installed into office is missing from our Bylaws and feel it should be added to Article 1 which defines officer positions and their responsibilities. That oath is our commitment to you the SRV Social Club that we will continue to foster by word and deed an increasing interest and activity in the work and programs necessary to sustain Siesta Village as the best park in South Texas.

2. Secondly, we found we have no verbiage that guides us in the event of a resignation or termination of a Social Club Board member. We are proposing that we simply adopt the same verbiage currently used by our own Corporate Board in their Bylaws

Below are the proposed additions:

Article I, Sec. 9 All Elected officers of the club bear the burden of office and responsibility to the administration of the affairs of the club. As such, all officers are expected to foster by word and deed an increasing interest and activity in the work and programs necessary to sustain Siesta Village as the best park in South Texas.

Article I, Sec. 10 Resignation and removal. Any officer may be removed from office without cause by the Board. Any officer may resign at any time by giving written notice to the Board, the President, or the Secretary. Such resignation shall take effect on the date of receipt of such notice or at any later time specified therein, and unless otherwise specified therein, the acceptance of such resignation shall not be necessary to make it effective.

Thank You!

We had our last Entertainment for the season on Friday evening. I would like to thank the Entertainment committee for their work this season. They are a super group to work with. Please look forward to the entertainment we will bring to the Village next year.

Linda Boddy

General Reminders

Post Office Box Procedures

It is important that everyone receive their mail in a timely manner and in the correct post office box. In order to assist this happening, and ensure that mail is not returned or put in the incorrect box, please follow these procedures:

Residents

Each street address should have one mail box assigned by the Office. The Office should be notified of the following:

- Any resident change in name,
- Any resident change of address especially within the park,
- Any visitor that may receive mail.

The SRV office must be notified when residents return in the fall, leave in the spring, or have new people living in their home. Inaccurate information may result in mail being returned to sender. PLEASE make sure your Unit number is included in your address. Improperly addressed mail may also be returned to the sender. If you are going on a trip and wish to have your mail held, please contact the Weslaco Post Office at (956) 968-7412.

Renters

Renters shouldn't be given mail box keys by the property owners. If the Office and/or Post Office is not notified of the renter information we do not know who is using the box and mail may be returned or misdirected. (We also put names on the boxes inside the mail building to help the USPS, if we do not know the name we cannot label the box.)

Renters need to contact the office and get their own mailbox. They should pick up the key from the Office and return it to the Office when they leave. This assists in the accurate tracking of empty boxes for reassignment. (If a renter returns to the same house annually, they can keep the same box, but need to notify the office.)

Blocks

If using a block in the box, allow enough time for the mail to be forwarded before placing the block and, when you return, remove the block as soon as the forward is requested. If mail is delivered and there is a block in the box the mail will be returned. The Office will be happy to assist with placing or removing blocks.

Key Return

Any time a box will no longer be used by the current resident, the key must be returned to the office (e.g. sale of house, renter leaving for the season, etc.). The Post Office will not make duplicate keys (and they can not be made elsewhere) nor will they retool the box for a new key.

USPS Packages

Packages that are delivered to the Office by USPS (either because they are too large for the key boxes or the key boxes are full) will be available for pick up in the office lobby.

Architectural Requests

ANY change made to the exterior of your home or property requires Architectural Approval and a Permit. Forms are located in the office. Once filled out, two members of the Architectural Committee and a member of the Board of Directors must sign off on the request BEFORE work can begin. When approval has been given, a Permit will be issued and should be placed in a visible front window of your home. Any request that would require a variance of the SRV 9th Amended Covenants and Conditions must be taken to the full Corporate Board of Directors for approval.

Per SRV Covenants Article V.03: No structures of any kind, including MOBILE HOMES, may be commenced, erected or maintained upon the PROPERTIES, nor shall any exterior addition to, or change, or alteration therein be made until plans and specifications showing the nature, kind, shape, height, materials, color and location of the same shall have been submitted and approved in writing as to harmony of external design and location in relation to surrounding structures and topography by the Architectural Committee.

Contractors In The Village

Reminder to all residents having work done by a contractor. All contractors are expected to register with the SRV office PRIOR to performing any work within the Village. **Contractor vehicles should all have a RED SRV CONTRACTOR PERMIT in their front window.** If you notice a vehicle without this form, please either send them to the office or report them to the office. **NO contractor vehicles should be left on SRV streets overnight.**

Rentals

The Office is keeping a list of people who would like to be renters in the Park and also a list of Owners who have rentals available (or that will be available). If you own a rental and would like to be on the list given to potential renters, please contact the Office with your information. As people call inquiring about available rentals, they will be given your contact number. And if you would like the list of people interested so that you can contact them, also contact the Office.

If you have a renter or no longer want potential renters to contact you, please contact the Office to remove your name from the owners list.
