Find Your Activities on the SRV Calendar!

The Social Club's activity calendar is available both in print and digitally! You can purchase a print copy at the Monday meetings or in the SRV office, find it online at siestaretirementvillage.com or access it on your phone. If you do not have the digital one on your phone and would like to, please see Daryl Minifie.

We encourage you to stay up to date on all of the great activities at SRV!

SRV 50th Anniversary

Plans are underway for the 50th Anniversary of Siesta Retirement Village in 2027. The committee met for a second time on March 21st and outlined a wide variety of activities that will, hopefully, offer something for everyone. We welcome additional ideas, too. We would like to ask your assistance while you are enjoying your summer:

Please look through old scrapbooks and files for pictures and articles about the history of the Park and the people who helped make it such a wonderful place.

Anyone who knows a long-time SRV resident is asked to talk to them about memories – when they arrived, what the park was like, who their neighbors were, what activities they enjoyed, what has changed over the years, etc. If possible, record them or write down their comments.

Go through recipe files and cookbooks to find your special recipes to contribute to the cookbook that will be compiled next winter. We'd like your name and a brief note about the recipe, such as "Grandma's favorite." We hope to gather them early next season.

Think about designs for a simple, memorable and variable logo that will be used for the anniversary celebration and for commemorative t-shirts. It may be one that incorporates the current SRV logo, plays off it, or is entirely different. Submissions should be on a 4" by 4" paper and may be sent to a Social Board member.

A talent show/cabaret will be held to showcase the musicians, actors, singers and other types of entertainers that live here. We want scripts for short skits and style shows, groups of singers for choral presentations, barbershop quartets, magicians, jugglers and dancers. We would also like a small group of talent scouts to help organize this and begin auditioning next winter.

Finally, there will be a street dance and barbeque on Saturday, March 13, 2027. Plans for this will be announced as we get closer to the occasion.

If you have questions or suggestions, please contact Gail Wanner.

Logo Contest Guidelines

Now it's time for you, our residents, to show us your artistry, and help to celebrate our upcoming 50th anniversary in 2027. In preparation for that event, we would like to announce a logo contest. We are looking for a logo to help us commemorate 50 years of Siesta Retirement Village. The design should be simple, memorable, and versatile. It should be done in such a way that it will look good in a variety of sizes as we will use it in various ways.

So, if you feel artistic, and want to join in the fun, please put your design on a 4" x 4" paper. You may submit the paper to a Social Board member, and please retain a copy for yourself. You may also submit an electronic version by emailing it to SRVSocialBoard@Gmail.com. We will announce our winner during the 2025/2026 winter season. If you are interested in becoming a judge for this contest, please see Gail Wanner.

Summer Issues of The Villager

This week is the last weekly issue of The Villager for this season. From April through October, The Villager is published monthly.

Mark George is going to be taking over the job of creating The Villager, starting in March. The same deadlines and submission procedures will be in place. You need to send your articles exactly as they are to appear. He will not be writing articles for any individual or group.

If you would like information included in the monthly issues, please submit it via email to siestavillager@gmail.com by the 20th of the month. There will be NO leaving items in The Villager mailbox.

New issues will be available in the SRV office and on the SRV website by the 25th of each month. The Villager is NOT sent to individuals via email.

The Villager Submission Information:

- There is no fee to list your events in The Villager. You may reach people this way who are not able to attend all Monday meetings.
- If you have information you would like in The Villager, it needs to be submitted by 9 PM the Wednesday prior to Monday publication.
- You need to write the submission exactly as it will appear in The Villager. I will not write your article. If you would like your article to be included for more than one week, please indicate the number of weeks you would like it to run.
- I prefer you email your requests to siestavillager@gmail.com. Also, if you email, please put your submission in the body of the email, not as an attachment.
- If you aren't able to email your information, you can put your information in The Villager mailbox at my home (3134 San Jacinto) or text me at 954-802-7123. The deadline is still the same for these submissions.

Lock Up Help Needed

Are you a full-time resident?
Are you looking for ways to help out at SRV?

We need volunteers willing to lock up the common areas each evening.

This is a relatively easy job that is important to our community.

Sign up sheets are in the hall.

General Reminders

Post Office Box Procedures

It is important that everyone receive their mail in a timely manner and in the correct post office box. In order to assist this happening, and ensure that mail is not returned or put in the incorrect box, please follow these procedures:

Residents

Each street address should have one mail box assigned by the Office. The Office should be notified of the following:

- Any resident change in name,
- Any resident change of address especially within the park,
- Any visitor that may receive mail.

The SRV office must be notified when residents return in the fall, leave in the spring, or have new people living in their home. Inaccurate information may result in mail being returned to sender. PLEASE make sure your Unit number is included in your address. Improperly addressed mail may also be returned to the sender. If you are going on a trip and wish to have your mail held, please contact the Weslaco Post Office at (956) 968-7412.

Renters

Renters shouldn't be given mail box keys by the property owners. If the Office and/or Post Office is not notified of the renter information we do not know who is using the box and mail may be returned or misdirected. (We also put names on the boxes inside the mail building to help the USPS, if we do not know the name we cannot label the box.)

Renters need to contact the office and get their own mailbox. They should pick up the key from the Office and return it to the Office when they leave. This assists in the accurate tracking of empty boxes for reassignment. (If a renter returns to the same house annually, they can keep the same box, but need to notify the office.)

Blocks

If using a block in the box, allow enough time for the mail to be forwarded before placing the block and, when you return, remove the block as soon as the forward is requested. If mail is delivered and there is a block in the box the mail will be returned. The Office will be happy to assist with placing or removing blocks.

Key Return

Any time a box will no longer be used by the current resident, the key must be returned to the office (e.g. sale of house, renter leaving for the season, etc.). The Post Office will not make duplicate keys (and they can not be made elsewhere) nor will they retool the box for a new key.

USPS Packages

Packages that are delivered to the Office by USPS (either because they are too large for the key boxes or the key boxes are full) will be available for pick up in the office lobby.

Architectural Requests

ANY change made to the exterior of your home or property requires Architectural Approval and a Permit. Forms are located in the office. Once filled out, two members of the Architectural Committee and a member of the Board of Directors must sign off on the request BEFORE work can begin. When approval has been given, a Permit will be issued and should be placed in a visible front window of your home. Any request that would require a variance of the SRV 9th Amended Covenants and Conditions must be taken to the full Corporate Board of Directors for approval.

Per SRV Covenants Article V.03: No structures of any kind, including MOBILE HOMES, may be commenced, erected or maintained upon the PROPERTIES, nor shall any exterior addition to, or change, or alteration therein be made until plans and specifications showing the nature, kind, shape, height, materials, color and location of the same shall have been submitted and approved in writing as to harmony of external design and location in relation to surrounding structures and topography by the Architectural Committee.

Contractors In The Village

Reminder to all residents having work done by a contractor. All contractors are expected to register with the SRV office PRIOR to performing any work within the Village. **Contractor vehicles should all have a RED SRV CONTRACTOR PERMIT in their front window.** If you notice a vehicle without this form, please either send them to the office or report them to the office. **NO contractor vehicles should be left on SRV streets overnight.**

Rentals

The Office is keeping a list of people who would like to be renters in the Park and also a list of Owners who have rentals available (or that will be available). If you own a rental and would like to be on the list given to potential renters, please contact the Office with your information. As people call inquiring about available rentals, they will be given your contact number. And if you would like the list of people interested so that you can contact them, also contact the Office.

If you have a renter or no longer want potential renters to contact you, please contact the Office to remove your name from the owners list.
