## SRV News and Activities

### SRV Quilters

The SRV quilters will be meeting in the craft room every Monday at 1:00 pm. We create both small projects and work together to make veterans quilts and donation quilts. You don't need to be an experienced quilter to join our group. We welcome new and returning members. Hope to see you there!

### Quilt Raffle

The SRV Quilters will be holding a raffle of two handmade quilts during the month of November. Tickets are \$3 each or two for \$5. You can see the quilts and buy your tickets at the Monday morning meetings or at the craft sale. The winners will be selected on Monday, December 1.

### Lock Up Help Needed

Are you a full-time resident?  
Are you looking for ways to help out at SRV?  
We need volunteers willing to lock up the common areas each evening.  
This is a relatively easy job that is important to our community.  
Sign up sheets are in the hall.

### Cards Sent:

No cards were needed to be sent this week!

Lets go for two weeks in a row!!

Be safe and Healthy!!!

If you know someone we should send a card to, contact Jody Foriester 573-999-0739 or jodyf2012@yahoo.com

### Wednesday Mens Golf League

### DID YOU KNOW!

In Texas, the law does not prohibit window bars, but it mandates specific safety requirements to ensure emergency escape. Any security bars installed on a door or window of a bedroom in a residential dwelling must have an interior release mechanism that can be opened from the inside without the use of a key, tool, or special knowledge.

#### Key Requirements

**Emergency Egress:** Every sleeping room (bedroom) is required to have at least one operable window or exterior door that meets emergency escape and rescue requirements.

**Release Mechanism:** If bars are placed over an emergency escape and rescue opening, they must be releasable or removable from the inside using only normal operation force, without a key, tool, or any special knowledge.

**Non-Sleeping Rooms:** The interior release mechanism requirement does not apply to windows in non-sleeping rooms.

**Landlord/Tenant:** Landlords must ensure properties are equipped with basic security devices, including window latches. If a landlord is installing security bars, they must comply with the state's Health and Safety Code regarding interior release mechanisms.

### Christmas Golf Cart Toys 4 Kids Parade

Our annual toy and monetary drive will be held on Sat. Dec. 6th. Anyone interested in being in the parade should be at the main hall by 3:00. The

Weslaco and Mercedes police are participating and checks can be made to Weslaco OR Mercedes Crime Stoppers. Social with cupcakes, coffee and tea will be in the hall following the parade and all are welcome to attend. Gene is going to have Christmas music to get everyone in the mood. There will also be boxes in the hall for donations of new unwrapped gifts for babies thru teens.

Our Village has been recognized as one of the most generous providers for the kids in the Valley. So proud of that, so thank you ahead of time for your donations. All collected stays in Mercedes and Weslaco. We'll be covering every street, so enjoy the decorations and the officers will gladly take your donations.

See Don (715-340-5570) or Amy (715-412-2642) for further info.

## General Reminders

### Post Office Box Procedures

It is important that everyone receive their mail in a timely manner and in the correct post office box. In order to assist this happening, and ensure that mail is not returned or put in the incorrect box, please follow these procedures:

#### Residents

Each street address should have one mail box assigned by the Office. The Office should be notified of the following:

- Any resident change in name,
- Any resident change of address especially within the park,
- Any visitor that may receive mail.

The SRV office must be notified when residents return in the fall, leave in the spring, or have new people living in their home. Inaccurate information may result in mail being returned to sender. PLEASE make sure your Unit number is included in your address. Improperly addressed mail may also be returned to the sender. If you are going on a trip and wish to have your mail held, please contact the Weslaco Post Office at (956) 968-7412.

#### Renters

Renters shouldn't be given mail box keys by the property owners. If the Office and/or Post Office is not notified of the renter information we do not know who is using the box and mail may be returned or misdirected. (We also put names on the boxes inside the mail building to help the USPS, if we do not know the name we cannot label the box.)

Renters need to contact the office and get their own mailbox. They should pick up the key from the Office and return it to the Office when they leave. This assists in the accurate tracking of empty boxes for reassignment. (If a renter returns to the same house annually, they can keep the same box, but need to notify the office.)

#### Blocks

If using a block in the box, allow enough time for the mail to be forwarded before placing the block and, when you return, remove the block as soon as the forward is requested. If mail is delivered and there is a block in the box the mail will be returned. The Office will be happy to assist with placing or removing blocks.

#### Key Return

Any time a box will no longer be used by the current resident, the key must be returned to the office (e.g. sale of house, renter leaving for the season, etc.). The Post Office will not make duplicate keys (and they can not be made elsewhere) nor will they retool the box for a new key.

#### USPS Packages

Packages that are delivered to the Office by USPS (either because they are too large for the key boxes or the key boxes are full) will be available for pick up in the office lobby.

### Architectural Requests

ANY change made to the exterior of your home or property requires Architectural Approval and a Permit. Forms are located in the office. Once filled out, two members of the Architectural Committee and a member of the Board of Directors must sign off on the request BEFORE work can begin. When approval has been given, a Permit will be issued and should be placed in a visible front window of your home. Any request that would require a variance of the SRV 9th Amended Covenants and Conditions must be taken to the full Corporate Board of Directors for approval.

Per SRV Covenants Article V.03: No structures of any kind, including MOBILE HOMES, may be commenced, erected or maintained upon the PROPERTIES, nor shall any exterior addition to, or change, or alteration therein be made until plans and specifications showing the nature, kind, shape, height, materials, color and location of the same shall have been submitted and approved in writing as to harmony of external design and location in relation to surrounding structures and topography by the Architectural Committee.

### Contractors In The Village

Reminder to all residents having work done by a contractor. All contractors are expected to register with the SRV office PRIOR to performing any work within the Village. **Contractor vehicles should all have a RED SRV CONTRACTOR PERMIT in their front window.** If you notice a vehicle without this form, please either send them to the office or report them to the office. **NO contractor vehicles should be left on SRV streets overnight.**

### Rentals

The Office is keeping a list of people who would like to be renters in the Park and also a list of Owners who have rentals available (or that will be available). If you own a rental and would like to be on the list given to potential renters, please contact the Office with your information. As people call inquiring about available rentals, they will be given your contact number. And if you would like the list of people interested so that you can contact them, also contact the Office.

If you have a renter or no longer want potential renters to contact you, please contact the Office to remove your name from the owners list.
